## About KBJIIT

K. B. Joshi Institute of Information Technology  
 K. B. Joshi Institute of Information Technology established in the year 2003. Joshi Foundation has given generous donation for the construction of the Institute in the name of Pioneering businessman Late. K. B. Joshi who was founder member of several trade groups and trade association including Maharashtra Chamber of Commerce. Our meticulous thinking in framing up the curriculum, state of art infrastructure with innovative back-up, interactive exposure to the key happenings in the world of IT, makes our students understand the contemporary and future scenario. They are ready to meet pre-requisites of IT world. The Institute is basically interested in issues related to women in IT. It is committed to develop young women IT professionals for the avenues opened up due to tremendous growth of IT sector in every field of Business and day life.

With Blessings of Bharat Ratna Dr. Maharshi Karve, K.B.Joshi Institute of Information Technology. Started in the year 2006 to accomplish the Vision **"Empowerment of Women in IT Education"**. "In 10 years of span Institute is flourished in different aspects with dedicated efforts of staff and support of Management. Institute has strong Industry-Institute Linkages, Pooled Campus Placements for development of students. Institute signed Various MOUs with Industry for the benefit of Staff and students. Students topped the Merit list of University every year which is pride to our Institution.

Students are placed in various IT Companies like WIPRO, TCS, COGNIZANT, INFOSYS and many others as a Software Engineer, Programmer, and Software Tester etc. This

opportunity has given the students especially girl's real empowerment which makes them self-reliant.

College strives hard for all round development of students which helps them to excel in sports, cultural, curricular extracurricular activities. The efforts of the Institute are aimed to deliver good human beings to society and contribute effectively in nation building. I am proud to be a part of

this noble initiative

The year 2018-19 is marked with special achievements of our students. Ms. Shraddha Wanjari (NSS Student) got selected for republic day parade on Rajpath, Delhi on 26<sup>th</sup> January 2019. She is nominated for Indian Youth Delegation to various countries for 2019 by NSS from INDIA. This is proud moment for us.

Ms. Arti Uikey, Ms. Riya Jadhav, Ms. Rujuta Wakhare Ms. Sanyukta Shelar achieved crescendo peaks in cultural events. They are selected nationally at Raipur to present their outstanding performance in MIME and Folk dance.

This journey of 'Empowerment of Women' Will be continued in coming Academic year too.....

# CULTURAL

"Hojagiri "YOUTHFEST-2019@SNDT University Mumbai

Cultural Department plays essential role in balancing between curricular, co-curricular and extra-curricular activities. We are well aware that every individual has some special skill, ability or characteristic which can stand her/him out of the crowd.

These skills traverse beyond studies, exams and marks. At K.B.Joshi Institute of

Information Technology, cultural department planned various activities to take out other brighter side of our students. We started the year with Orientation Program for new students and especially their parents called "Orientation Program" which was held on 27<sup>th</sup> July 2018.

This program is important to make sessions were we made parents aware about the institute & the course. This was helpful in setting the tone for the rest of the year.

## "Guru Poornima" (27<sup>th</sup> July 2018)

this well-known Indian festival celebrates the rich heritage of Guru & Shishya

relationship. Our students organized

a small get-together of all students and their teachers.

The "Fresher's Party (Navonmesh)" (4<sup>th</sup> August 2018) was organized by senior students to overwhelmingly welcome the new batch of 2018-19.

"Regional and Grand Finale Youth festival" was held on 27<sup>th</sup> to 29<sup>th</sup> September 2018 at "SNDT University, Churchgate campus, Mumbai".

Youth Festival is something that everyone looks forward to. K.B.Joshi Institute of

Information Technology continued its rich tradition of making it big in annual events. Our students won many accolades in various events.

Youth Festival help our students usher their art & skill side. 33 students participated in 16 different events. We are sure that this event would prove to be the milestone for

each one of them who always wanted to perform before the larger audience. Four of our students were selected for State Level Youth Festival “Indradhanush” which was held between 7th to 9th Dec 2018 at Nashik and won 1st prize in Folk Dance. Those students got 1st prize in National Youth Festival “Palash” in Folk Dance at Savitribai Phule Pune University, Pune which was held between 18<sup>th</sup> to 23<sup>rd</sup> Dec 2018; Total 15 different universities participated in this event. 3 of our students were selected for SAUFEST (South Asian Universities Youth Festival) in Mime which was held at Raipur from 22nd to 26th Feb 2019.

Accolades & appreciation continues as we honored the best among students at “Annual Awards Function 2018-19” which was held on 15<sup>th</sup> February, 2019. The function was blessed with the presence of Mr. Rajendra Tapadia (MD, CEO- Safepack India Ltd) as a Chief Guest.

Last but not the least; Cultural department of K.B.Joshi Institute of Information Technology extends its heartfelt gratitude towards LMC Chairman Mrs. Vidya Kulkarni madam, Principal Dr. Swati Sayankar madam & entire staff & students of the institute for their continues support throughout the year.

Unique thing about this year was the participation of teachers in all events organized by students. This was vital to befriend with students.

- 11<sup>th</sup> Feb 2019- Mismatch Day
- 13<sup>th</sup> Feb 2019- Traditional Day
- 12<sup>th</sup> Feb 2019-Cartoon Day/Trio Day

K.B.Joshi Institute of Information Technology celebrated its annual gathering “Aavishkar” on 16<sup>th</sup> February 2019. The theme was “School –to-College life”

As we are approaching to University exams, college has bid “Farewell” (15<sup>th</sup> March 2019) to our final year students. As they move forward in their lives, we are sure that each one of them will carry very special memories of K.B.Joshi Institute of Information Technology which they will cherish forever.

# SPORT

## BADMINTON WINNERS DAMINI-2019

Sports are the physical activity done in particular ways of style and all are named accordingly. Participation of the students in any of the sports is very necessary and important. Students should be encouraged and motivated by the colleges. It is necessary for the growing children so that they may develop good habits and discipline which they may continue to their adulthood and pass to the next generation.

University education is quite stressful for student's comparatively high school, as it is more detailed and important for a particular course. So to relieve in such situation, student should have option to spare some extra time on sports and other hobbies. Thus, that will also impact on study by reducing stress. They can more concentrate and achieve desired goals for their future. For example, Chess is an indoor game which sharpens a brain.

Sports play great role in improving and maintaining the health and fitness, improving mental skills and concentration level as well as social and communication skills. Playing sports on regular basis prevents person from the many diseases and disorders of the body organs especially

overweight, obese and heart problems.

Children should never be demoted for playing the sports instead they should be promoted

activities like sports, social events which may help him to explore himself more. Therefore, there are certain reasons to do so like stress

relief, personal growth and careerAnother reason is other than education

student should be a good human being with good personality. Many outdoor games are being played in team. This will improve quality of a person to work in team. Student comes in contact with other student during university sports events which is also a good opportunity to meet different people and make friends. Moreover, in sport one team wins whereas other loses the game. There are situation in life when we do not win every time. So how to react and what steps to be made to improve our self can be learnt from sports. Thus, Sport has its important role in personal developmentalso. Sports are essential for achieving the true education. Mahatma Gandhi, the Father of the Nation, was of the opinion that true education meant harmonious development of three organs of man via; body, mind and soul, if anyone of these is neglected then certainly the purpose of Education is forfeited.College motivates and supports the students in various intercollegiate events under SNDT University.

College was being host of Independence day and Republic day for Campus For Independence day , Major Lekha Nair was the chief guest for program For Republic day , Mr. Sandip Gadiya was the chief guest for program

A Sports Event is celebrated in our Samstha every year called "DAMINI". It falls on 19<sup>th</sup>January to 23<sup>th</sup> January 2019. All the classes from our college were extended invitation to participate in various indoor and outdoor games. The play grounds were swept and water was sprinkled. It was a very bright and cheerful day. The day started with the unfurling of

the event flag and the march past of the athletes belonging to all the colleges under MKSSS.Collegehosted Chess Tournament on 19<sup>th</sup> and 20<sup>th</sup> January 19.

### Sports Achievements

- Ms.Vaibhavi Kulkarni was selected in University Badminton Team through Intercollegiate Sports Events by University during 9/9/18-11/9/18.
