TCS goIT

(2020-2021)

TCS goIT Launched in 2009, goIT is TCS North America's Flagship community engagement program, in which its employees teach computer programming and mentor youth to increase STEM education and career awareness goIT delivers career awareness workshops, hands-on technology education, and teacher/partner training. Working in a team environment, students tackle project-based challenges, learn icon based programming languages, and acquire critical-thinking and problem solving skills.

TCS goIT sessions were conducted in 3 sessions. In first two sessions Mentor explains the team environment, students tackle project-based challenges, learn icon based programming languages, and acquire critical-thinking and problem solving skills. And in third session group of students present through PPT presentation.

136 students from SY were benefited in the year 2020-21. During the period 04/01/2021 to 21/01/2021

"NAAC Documentation"

Date: 24/04/2021

IQAC of College organized an online session on NAAC Documentation for all staff (Teaching and Non-Teaching) on 24th April 2021.

The session was arranged in association with IQAC cluster India and Mr. Peeyush Pahade (Founder member, IQAC Cluster) was invited as guest speaker. Sir worked at H.V. Desai College as IQAC Coordinator and has extensive experience of facing NAAC.

Session started with Introduction and welcome of Guest Pahade sir by Principal Dr. Swati Sayankar. During the session, sir focused various key areas of NAAC and explained specific requirement of documents criteria wise. Faculty in charge of each criteria asked questions and sir gave appropriate answers with proper example.

The session was very informative and all faculties were benefited by it. Session was concluded with vote of thanks by Mrs. Rupali Saraf (IQAC Coordinator).

• Date: 24th Jan 2021

• The Test Window Will be open from 12:00 AM on 24th Jan 2021 to 11:59 PM on 24th Jan 2021

Here are the guidelines for the candidates taking up the auto-proctored test:

- Candidates can take the test on a computer/laptop with a functioning web-cam (external or built-in) and continuous internet connectivity for the 180-minute duration.

Please find attached the technical requirements for the test

- We request the candidates to take the test where there is ample lighting. It is their responsibility to ensure that their image is clearly captured
- A candidate can attempt the test only once
- The default 8- digit Cognizant Candidate ID can be either 12345678

Malpractices disclaimer for candidates:

- Any malpractice will lead to disqualification:
 - If we find any evidence of malpractice through mechanisms that we have enabled- that particular candidate would be disqualified from the recruitment process as per discretion of the Cognizant team.
 - If any other person's image, besides that of the test taker, is captured in the vicinity during the test process, that candidate's test will be disqualified as per discretion of the Cognizant team.

Please inform candidates to refrain from doing the following:

- While taking up the online test, please do not move out of the test screen- all instances and movements are captured for audit purposes.
- Opening another tab or application like notepad, excel or web browsers like Chrome, Firefox etc. are strictly prohibited.
- Please do not try to click print screen or copy the content while the test is in progress- this will lead to instant disqualification.
- Please ensure that the web-cam is not covered with any object. The web-cam should be focused on the candidate throughout the test duration.
- Please do not try to take any snapshots while the test in progress.
