

Pool Campus

- Placement cell sharpens skills of students through training programs, workshops, guest lectures, seminars and mock interviews.
- It helps the students to develop strong analytical skills, logical thinking and enhance their knowledge to enter the IT world.
- Our students are trained to aim high, looking beyond their current knowledge and capabilities to emerge as IT Professional.
- To prepare the students to demonstrate uncompromising commitment towards quality, values and excellence.
- To groom the students and make them aware of the current needs and global developments.
- To create a team of confident young IT Professionals who can see and do things differently.
- To maintain good liaison with the industry and attract prospective employers for Campus Recruitment Program.

Workflow of Placement department

- Communication with Company officials regarding requirements.
- Company Concern person respond with requirements & eligibility Criteria.
- College TPO communicates drive details along with eligibility criteria to TPOs of various colleges.
