Webinar on

“The Lean Startup Master class -from business idea to Execution”

Date:20/05/2021

IQAC of college and Entrepreneur Skills Development cell organized an informative webinar on the very demanding topic “The Lean Startup Master class -from business idea to Execution” on 20th May 2021 for all students of BCA, BSc IT and MSc.

Mr Anandsagar Shiralkar was invited as key speaker. He is an entrepreneur and a start-up angel investor. He is passionate about using technology to create a large-scale social impact and has been promoting technology-based crowdsourcing solutions for social causes. Anand has founded three companies.-Vizitech Solutions India,FTB Communications and Rian.

Principal Dr. Swati Sayankar welcomed and introduced guests to all.

During the webinar, sir shared many simple ideas and his own experience. Session was very interactive, many students shared their views and ideas on innovation. He also addressed the point of generating seed money for startups.

Sir motivated and guided students through his speech. Mrs. Aparna Kale proposed a vote of thanks at the end to express gratitude towards guest Mr. Shiralkar.
