## Introduction

### Strategic Plan for 2020-21

KBJIIT's Strategic Planning aims towards reaching the following milestones for which the action plans in the previously mentioned sub areas are aptly mapped to following activities planned for effective implementation and monitoring are detailed:

For any institute to grow and develop, it should have a strategic planning system in place. Strategic planning is an organization's process of defining its strategy, or direction, and making decisions on allocating its resources to pursue this strategy. It may also extend to control mechanisms for guiding the implementation of the strategy.

The long term plans have been laid down in the strategic plan in consultation with Department committees, joint workshops of senior professors for strategy formulation. KBJIIT will sustain its excellence and distinctiveness by following a strategic plan that is built upon six sub areas namely

- Academic Process
- Employability
- Industry Connect
- Self-Learning
- Personality development
