**SERVICE LEVEL AGREEMENT**

**SERVICE LEVEL AGREEMENT OVERVIEW:**

This Agreement represents a Service Level Agreement (“SLA” or “Agreement”) between MKSSS HNIMR’s Training, Research and Consultancy Cell and MKSSS’s K. B. Joshi Institute of Information Technology, Pune for the provisioning of Digital Marketing services.

This Agreement remains valid until superseded by a revised agreement mutually endorsed by the stakeholders.

This Agreement outlines the parameters of all services covered as they are mutually understood by the primary stakeholders. This Agreement does not supersede current process and procedures unless explicitly stated herein.

**STAKEHOLDERS:**

The following Service Provider and Client will be used as the basis of the Agreement and represent the primary stakeholders associated with this SLA:

MKSSS HNIMR’s Training, Research and Consultancy Cell (Provider)  
MKSSS’s K. B. Joshi Institute of Information Technology, Pune (Client)

**MARKETING OBJECTIVES:**

- Online branding and awareness for different courses provided by MKSSS’s K. B. Joshi Institute of Information Technology, Pune on digital channels like YouTube, LinkedIn, Facebook and Instagram etc.
- Rank on the 1<sup>st</sup> page of Google for local searches across major courses provided by MKSSS’s K. B. Joshi Institute of Information Technology, Pune.
- Drive traffic to the website.
- Convert website visitors into students.
- Acquire new admissions and engage existing students.

## CHALLENGES:

- The client has a website but it's currently not ranking on Google's 1<sup>st</sup> page and needs to be optimized for SEO.
- The website content is not detailed.
- Social Media post engagement is not significant.
- Market is competitive and institutes need to reach out to young women via digital channels.

## DELIVERABLES:

MKSSS HNIMR's Training, Research and Consultancy Cell will assign a social media project manager to oversee the program, be a major participant in activity creation, and serve as a single point of contact for program communication. MKSSS HNIMR's Training, Research and Consultancy Cell project team members will also consist of additional social media specialist, content providers, and other staff members who will contribute as the program requirements dictate.

MKSSS HNIMR's Training, Research and Consultancy Cell will ensure the following sustained activities take place over the **12 Month** program:

### 1. Website Optimization:

This includes suggesting changes to the website for –

- Implementing SEO strategies
- To provide suggestions to improve the performance of the website that can drive more traffic to it.
- Ensuring the website is secure and loads fast on mobile and other screens.

### 2. Search Engine Optimization (SEO):

All tasks and activities that are required to optimize the Client's website for search engines, such as Google, including, but not limited to:

- **On-page optimization:** HTML tags on web page such as title, description, href, image alt text, H1 and header family are important to communicate key priorities to Google. Additionally, title and description are displayed to the users on the search results and are critical to drive traffic to the website from the search results. On-Page SEO is a continuous process of optimizing page tags, to increase rankings to the first page and improving "user appeal" and compelling them to click on the search links to visit the website.
- **Website performance:** Make the website load faster to improve user experience. Users will bounce off of the website if it's taking very long to load.

- Optimize campaigns to maximize results.
- Provide campaign performance reports to the Client at the end of every campaign

**Notes:**

1. All campaigns to be run will be directly funded by the Client on Google or Facebook.
2. Objectives and KPIs for each marketing campaign will be identified in collaboration with the Client at the start of the campaign.
3. Campaigns on Facebook or Google Ads require a 3-month minimum commitment to be effective or to assess if they are effective.
4. We'll continuously optimize our strategy and tactics to discontinue campaigns that are not working and focus marketing budget and efforts on campaigns that are successful.

**Timelines:**

- Frequency of the content posting across media is TWICE per week.
- Website related approvals/ feedback to be given by the Client within 5 days after the Service Provider sends it for approval. If the Client does not communicate anything, the Service Provider will not take further action until the Client notifies.
- Social Media Post approvals/ feedback to be given by the Client within 1 day after the Service Provider sends it for approval. The time given for approval is short here as social media content plans are made for narrow time periods. If the Client does not communicate anything, the Service Provider will not take further action until the Client notifies.
- Tasks to be completed by the Service Provider within the timeline decided between both the Parties.
- The Client must give enough time to the Service Provider, (if any) additional tasks are to be worked upon, other than what has been decided.

**CONTRACTUAL PARAMETERS:**

**TERM RENEWAL AND TERMINATION:**

Contract renewal must be requested by the Client at least 30 days prior to expiration date of this agreement. Modifications, amendments, extension and early termination of this SLA must be agreed by both signatory parties.

The Client requires a minimum of 60 days' notice for early termination of this SLA.

**SERVICE LEVELS and KPIs:**

The Parties agree to meet or exceed the Service Level performance metrics and key performance indicators per month based on the requirements, expectations, and needs of the Client.

The Service Provider makes no warranties regarding the likelihood of success of marketing or promotional activity undertaken pursuant to the agreement.

Dear Principal madam

Greetings of the day!!

We appreciate your efforts to start with introducing foreign language courses with providing an opportunity to your students, for international certification. As per our telephonic discussion this activity by your college in collaboration with our foreign language department would encourage job opportunities globally for all our BCA/IT students.

Keeping in mind current pandemic situation, we are pleased to provide you with the cost effective proposal to learn foreign languages as per your requirements.

**Japanese language:** - There are total 5 levels of Japanese language. N5 is the first basic level. As per syllabus pattern of JLPT / Japan foundation actual duration of this level is 180 clock hrs including covering whole syllabus, basic script, 4 modules namely reading, writing, listening and communication skills, mock test, concluding with SDIFL's online exam. After finishing the course, it is optional for students to appear for JLPT exam as an external student. External exam fees are around Rs. 1200. (it may change) JLPT exams are held in July and in December every year in Sinhadgad college, Wadgaon. Guidance to the interested students will be given by faculty.

**German language:** - There are 6 levels. A1, A2 basic, then B1. 1 and B2 treated as intermediate and C1, C2 as advance level or Business German. Almost all levels have 4 modules reading, writing, listening and communication skills.

Basic A1 level's normal pattern is of 120 clock hrs. After finishing the course students will appear for online exam which is based on the patten of Max Muller Bhavan (MMB). Again it is optional for students to appear for MMB's exam. They need to pay extra fees of Rs. 6,200 to mmb as exam fees. MMB's exams are held every after 2 to 3 months. **But currently they are not conducting any online exams. So students can decide about it only once everything starts physically.**

**Duration.** :- For Japanese language N5 level we can curtail duration of clock hrs upto 130 to 140 with proper finishing of everything and SDIFL's exam.

**Duration :-** For German language also everything can be covered in 75 to 80 clock hrs.

**Remuneration: -** Normally it can be per hour. It varies between Rs. 300 to 500 depending on experience level of the faculty.

**Second option** is that of paying per student, but it is going to be expensive for both of our units. (it is Rs. 7000/8000 per student)

**Third suitable option** is that of the consolidated amount for that level. In this option estimated amount is Rs 35000 including GST for each level for each language. **(please take a note of it that duration of both the courses has been considered here as approximately 4 months each assuming availability and commitment from the faculty).**

**Study materials: -** Faculty will provide our students online study material in PDF but we do suggest that students can buy the books themselves if they can afford, for convenience and easy learning. Guidance regarding this will be provided by faculty. (Cost of German language book set is Rs 700 to 800 and for Japanese language Rs 600 to 700).

We hope that all these details are satisfactory as per your requirements. Besides this if anything needs to be answered, I would like to meet you in person.
