Report of seminar organized on “International Women’s Day”

“Women Health Issues Awareness”

K.B. Joshi Institute of Information Technology organized a seminar on “Women’s Health Issue” on the occasion of “International Women’s Day”. The seminar was held by Dr. Gautami Ambekar-Kulkarni on 8th March 2022 between 10:30 AM to 11:30 AM. The lecture was attended by Faculty members and students of BCA, B.Sc, MCA, and M.Sc.

The guest speaker was heartily felicitated by Rupali Saraf ma’am. The guest speaker Dr. Gautami Ambekar Kulkarni, is an adept Ayurvedic practitioner with 6 years of rich experience. She has an exceptional understanding of drug properties and interactions, procedural techniques and preventative health care methods. The session was very interactive and students participated enthusiastically.

Some of the major concerned health issues like Anemia, hair loss, PCOD and Obesity were addressed and the needful solutions, ayurvedic treatments to overcome these were also effectively delivered. Problems related to menstrual cycle, cervical cancer, reproductive health, menstrual hygiene, hormonal imbalance etc. were the major areas of discussion.

All the needful measures for being healthier and the phrase “Prevention is better than cure” was very well made aware among the students and the staff who attended the session. Certain self-examine tests, ayurvedic treatments, yogasana poses were also suggested by the speaker. The students were made aware about the harmful effects of junk food, unhealthy sleeping schedule etc. on their personal, mental as well as reproductive health status.

At the end, the students were given a platform to know and clear their queries regarding the topics covered in the session and also the health-related tips were given to the students by the guest speaker. The session marked success with students being content with the information delivered.
